

Brighter Day Books Tampa Bay – Publishing Agreement

Brighter Day Books is happy to assist the authors of our local community with their publishing needs. We have a plan for cross promotion amongst Tampa Bay Authors and assistance in marketing. If you are already published, we will provide our logo for your already published books. The BDB logo will be added to its spine, back, and or interior of the book. You would not need to create an all-new cover from scratch. This will add value to your current inventory and can be added when re-publishing a new edition of your work. The BDB logo will improve the marketability of your book/s. Once this form is completed, signed, and sent to Brighter Day Books, we will go over the specifics of your publishing needs.
